

God Is God

Genesis 1

**What does the beginning
tell me about God and how
can I respond to what it
tells me?**

Mystery of God

 “Elohim”, “Spirit of God”,
 “by Him all things were created”
- God is mysterious in His purpose & plan.
 I Peter 1:19-21

Exclusiveness of God

- God is not dependent on any human or any thing.
- God has done what no other human or thing can do.

Sacrifice ... Propitiation ...
Reconciliation ... Redemption

Creativity of God

- God created time for man's benefit.

John 8:48-58

- God created the material realm to “confound the wise”.

I Corinthians 1:19-21, 27-29

Applications

- 1. The only way to know God intimately is through His Word; therefore, I should study with purpose.**
- 2. Apart from Christ, I cannot get to heaven.**
- 3. When the world's system contradicts God's Word, always question the world's philosophy, not God's Word.**
