Applying God's Word (a.k.a. ACTION!)

Realizations of a “Doer”

- **Realize that hearing is not the same as doing.**
- **Realize that deception is a reality to one hearing who thinks he is doing.**
- **Realize that we become what we behold.**

Applications of a Doer

- **Look intently, not passively, into the Word of God.**
- **Draw conclusions as to what God wants me to do in this passage.**
- **View God's instruction as an invitation not an interruption ... this will determination my life's direction.**
