

For returning families:

***Complete this early enrollment process by Feb. 9 @ 3pm,
and you will receive the lower rates for registration & tuition.***

***Also, you will be entered in the drawing(s) for \$200 towards your tuition
payments for next year. The drawing dates are Jan. 22, Jan. 30, & Feb. 9,
with \$200 awarded in each drawing!***

IMPORTANT -

**Please read before filling out your
2018-2019 Enrollment Application**

Parents:

Please note the following criteria for turning in your enrollment application for the 2018-2019 school year:

1. We can accept your application only if the entire 7-page form is filled out, including all “signature” lines and all “initial” lines.
2. The medical insurance information **MUST** be filled in on page 4 (or the Waiver signed) before that page can be notarized and before we can accept the application.
3. A tuition plan **MUST** be indicated on page 6 (except VPK). If your student has a Step-Up/AAA/Gardiner/or McKay Scholarship, turn in your award letter (or other verification) with your enrollment application (or as soon as you receive it). If class fills before you supply us with verification, be aware that you could lose your space.

**All Enrollment Applications must include Registration Fee
(No exceptions for Scholarship Students)**

Please try to bring your application to the front office during office hours so the staff can check that it is complete. If it is brought in by your student or sent by mail and is incomplete, your student’s name cannot go on the roster until you complete it.

Also, please remember that your 2017-2018 fees must be current before the Principal can accept your student’s application for next year.
