

A Message From Our Principal, Dr. Martin

Greetings. We are well into our new school year, and already a great number of activities have begun and are taking place around our campus.

First and foremost, on behalf of the administration, faculty and staff, I want to thank you for the trust and task you have given to us to educate your children. Only God knows what this school year holds, but our commitment will always be to educate in an environment that is "Distinctly Christian, Academically Excellent, and Service Minded."

We Are Very Pleased To Welcome . . .

Mrs. Devon Wolfe is our new PreK3 teacher (with Mrs. Mandy Sherrill moving up to VPK Aide & Ms. Diane Longanecker adding VPK Aide to her responsibilities).

Mrs. Renae Boyle (who taught previously at CBCS & more recently in the public school system) returns as teacher of our second Kindergarten class. Welcome back, Mrs. Boyle!

Mr. Xavier German joins our faculty as a new PE coach. He is a graduate of the University of North Florida and is also serving as Youth Director at Central Baptist Church.

Miss Brianna Tuvell, who was previously a student at CBCS and is now a Freshman at HCC, has joined our afternoon daycare staff. She is the daughter of our office manager, Mrs. Cheri Craven.

To Pastor West . . .

The entire school staff would like to thank Pastor West and Central Baptist Church for recognizing all of us - and most importantly praying us in - at a special church service the Sunday before school started. The wonderful cooks of Central Baptist Church provided a delicious luncheon after the service, which was greatly enjoyed by all.

IDENT-A-KID . . .

Parents, you will have an opportunity on Wed., Sept. 5, to have a photo ID made of your child. IDENT-A-KID will be on campus at 8:30am to photograph and fingerprint those students whose parents return the application that will be sent home beforehand. (You are welcome to bring siblings, too.)

Book Fee Reminder . . .

If you did not pay your student's book fee in advance, please be aware that book fees for all grades are due by September 15.

Let's All Be Onboard With Scrip!

I am excited to let you know Scrip is off to a fantastic start! We have had two very good weeks. A lot of new families have been participating, and that is great to see.

You can send your Scrip envelopes down on Friday mornings, and we will fill your order. If there is something we don't have in stock, we will order it for you - and it should arrive the following Monday or Tuesday. If you have not received a manila Scrip envelope, please stop by the office and let Mrs. Craven know. She will get one ready for you.

If you are new to our school this year, you may be asking at this point what is Scrip? Scrip is gift cards! We purchase gift cards at a discounted price from Great Lakes Scrip. We then sell them to our families at face value. This is a great way to earn money for our school, and it's easy!

Are you an online shopper? Most stores now have online shopping. Consider purchasing Scrip for your online shopping needs. We carry *Amazon*, *Walmart*, *Target*, *Groupon*, and many other cards that you can use online.

September is a very hot month! So why not reward any student whose parents purchase Scrip with an Ice Pop! They will receive their Ice Pops on Fridays during lunch.

As always, think Scrip!
Mrs. Craven
