

## A Christmas Message From Mr. Martin

Many faiths and denomination are preparing for what is known as Advent, a time of anticipation for the arrival of Jesus. Purple is often the symbolic color of the Advent season, as it recognizes Jesus born not only as the Savior of the world but also as a king. The season is also celebrated for the anticipation of the Second Advent of Jesus. Preparation is a key word for the upcoming Christmas season. There will be many opportunities this month to prepare for the celebration of the coming King and Savior, Jesus Christ.

One element focused upon is the prayer for peace, both for the world and within us. We pray that this season, arguably the most busy time of the year, will be a time of preparation for you and your family as we celebrate the First Advent and look forward to the Second Advent as the King of Kings and Lord of Lords returns in all His glory for his people to finally restore peace, both physically and spiritually.

From all of us here, we pray you have a blessed and providential Christmas season full of peace and hope.

In Christ,  
Mr. Martin

## Christmas Musical & Cookie Walk for Missions: Thurs., Dec. 21

Our Christmas musical, "*Finding the Christmas Star*," will be on Thursday, Dec. 21, in the gym at 7:00pm. Our Elementary Music teacher for K3-3rd grade, Mrs. Caryn Martin, has been preparing the students for this very special evening. The program will also include an ensemble by some of our 4th & 5th graders.

**Mrs. Martin provides a little preview . . .  
of another fabulous musical by Jeff Slaughter.**

### In his own words, he invites you . . .

*"to put yourself in the place of those present for Jesus' birth and realize that we should be living in the same level of faith as Mary, Joseph, and the wise men did at that time. They lived out their part of His story, and we must do the same. Even though we may not be in Bethlehem, God gives us the courage we need where we are to live out our part of His story. Another message in the musical is redemption. What an awesome gift we received in our precious Savior, Jesus! His birth forever changed the world, and He continues to miraculously change lives today He brings beauty from the ashes. His faithfulness and goodness constantly surround us. All we need is the faith to see it and feel it with our hearts. I pray that as you try to "find the Christmas star" you will also find a deeper place in the Lord as you worship Him."*

Our annual **Cookie Walk for Missions** will also be on Dec. 21. It will run from 11am to 7:30pm or as long as the cookies last. It is such a blessing to have this opportunity to buy these delicious baked goods for our family and friends - and to support foreign missions at the same time. The cost of the cookies is \$7 per pound. Also Cookie Platters may be pre-ordered in small(\$7) & large(\$14) sizes. Order forms will be sent home in advance. Thank you to our talented Central bakers for all their work on this festive and very popular event.

## High School Fundraisers . . .

Remember to support our seniors in their Candy Cane fundraiser, which will begin Dec. 4 & continue through Dec. 15. Surprise your friends (for just \$1 per cane delivered). Also, let's support our 11th graders by participating in their "*Jeans/Hats/Christmas Sweater*" fundraiser on Dec. 15 (pay \$1 per item worn).

## Early Registration Will Begin Jan. 16 . . .

Please remember that all balances must be current as of Dec., 31, 2017, in order to register for the 2018-19 school year. Thank you for your help in staying current with your financial commitments.

# Grandparents' Day at CBCS . . .

CBCS students stayed busy preparing for this favorite annual event with their grandparents on campus. They decorated invitations and practiced for the program way in advance; and they crafted gifts to surprise their grandparents with in the classrooms. Special thanks to Mrs. Martin & Mr. Salmeron who prepared their music students so well for the performance. We also want to thank all the parents (and grandparents, too!) who helped by preparing the bulk mailing, donating refreshments, decorating, and/or serving at the event on Nov. 17.

## Let's "Think Scrip" As We Shop for Christmas

Christmas is my favorite time of year. I love the music, extra time with my family, decorations, and who can't forget the food? My favorite of all is the time to worship my Savior with beautiful Christmas hymns and choruses. The radio in my car has been playing Christmas music since before Thanksgiving, even though my daughter says I need to wait until after Thanksgiving. If you see me driving down the road singing away, you know I am just praising my Lord!

Have you started your Christmas shopping yet? Always remember that Scrip is a great place to start. Do you have that person who is just impossible to buy for? Why not check out our Scrip inventory for ideas? Don't forget if you don't see exactly what you are looking for on our list, just ask us and we will check with Great Lakes Scrip.

Someone came to me just this morning with a question about hotel chains. There are some hotel chains that participate in Scrip. *Clarion* and *Choice* hotels are the most common, but *Hotels.com* is also available to order.

*Hotels.com* covers a huge selection of hotels. If you are planning on traveling over the Christmas break or wanting to gift someone with a trip, think Scrip!

I want to congratulate Diana Minton, one of our grandparents, for winning the \$25 *Cracker Barrel* Scrip card from the Grandparents' Day drawing.

Soon we will be looking ahead to the new year. Please continue to "Think Scrip" in 2018 ...

*Mrs. Craven,  
Scrip Coordinator*

The last day of our Book Fair was Grandparents' Day. Above, Mrs. Bateman in her cowgirl hat checks out the customers. At right, Kaylee Gilley, Sofia Borja, & Kelvin Ruiz, take a look at some of the many books available from *Scholastic Books*.

## Student Corner: *Featuring Our VPK Classes . . .*

The 31 students in our VPK classes are soaking up knowledge and gaining wisdom at an early age, with their hands-on learning and Christian curriculum. Their teachers and aides make it a fun experience. They are shown below as Mrs. Patten surprises the class when they come in the room and see her transformed into “**Farmer**” Patten as she leads a lesson on the letter **F** - pulling from her overalls such interesting things as **fennel**, a **flamingo**, & a **frog**. Another day, Mr. Rudd takes time away from his secondary students to bring his agricultural knowledge to the 4-year-old level. After a video presentation, he bends down for them to get a close-up look at a packet of seeds, with his hoe ready in the background.

# “All-A” Students Awarded at “Breakfast With Principal”

Mr. Martin flipped pancakes and served the “Principal’s Honor Roll” students a delicious breakfast - complete with bacon and sausage. The 1st-5th graders were honored on the Wednesday morning after report cards were posted - and the secondary students, the following day. As evidenced by the photos below, we are not sure whether our principal or his students enjoyed it more! Mr. Martin thanks his “souz chef,” Mrs. Sherrill, for her culinary help, as well as Mrs. Rudd and Mrs Longanecker for their assistance.

*He leads a cheer for their accomplishment & then a round of High-Fives!*

# Samaritan's Purse "Operation Christmas Child"

What a privilege it is for our students to bless children around the world through this missions project! The photos below show students bringing in items to put in the boxes at the Nov. 15th Packing Party in the Chapel. They always enjoy filling the shoeboxes, and they pray together over them for the children who will be receiving them. Some students like to pack a whole box at home with their family and bring those in for distribution.

Thank you to Pastor & Mrs. West who head up this ministry each year & who take all the boxes to the distribution center for shipment abroad.
