## A Message From Pastor West

What's the deal with all these high temperatures lately? Has winter already given place to spring and possibly even summer. Did winter already bypass us all? Christmas break was just last week, right? What's that, we are almost in the month of March?

Yes, that's right! Time really does fly by when you're having fun or it goes faster as we get older. I think both of those statements so often seem to be true.

The Bible does say that *"life is a vapor; it appears for a little while and then it vanishes"* (James 4:14). David tells us in Psalm 144 that *"man is like a breath; his days are passing like a shadow."* Maybe this is also why he told us to *"number our days"* (Psalm 90:12).

God's Word is telling us that life is short. Make the most of what you have now. Love your families, invest in eternity, turn to Christ now, live for Him now, because there is coming a day when our lives will come to an end on this earth. I guess these lyrics ring true to us all:

*"Only one life, it will soon be past; only what's done for Christ will last."*

Live for God today,  
Pastor West

## **Grandparents' Day at CBCS** **Friday, March 15 (9:00 - 11:00am)**

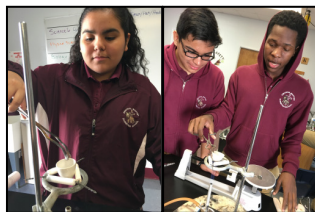

Thank you to the parents who filled out the address labels for our bulk mailing of Grandparents' Day invitations. The students did a good job of preparing them with nice notes & art work. Now we can look forward to this special time together on Fri., March 15, which is a half-day of school. Students are practicing now for the program they will perform in the gym. We hope grandparents will check out the Book Fair set up in the gym that day, take advantage of the opportunity for a photo with their grandchildren there, and enjoy refreshments in the classroom areas.

## Scrip News

When I think of Spring, I always think of the verse in Song of Solomon where the psalmist says, *“The winter is past; the rains are over and gone. Flowers appear on the earth; the season of singing has come”* It is hard to believe spring is almost here. I know everyone is looking forward to the break. Remember Scrip as you are making your plans for the week off. Are you planning a trip to Disney? We have Disney Scrip! It comes in \$25 increments. Even if you are an annual pass holder, you can use Scrip for meals and souvenirs. Place your orders today!

I would like to feature *Cracker Barrel* Scrip this month. *Cracker Barrel* has great food at affordable prices. They have a wonderful breakfast menu that includes pancakes, smoked sausages, and my favorite hash brown casserole. Their lunch and dinner menus feature specials that include meatloaf, pork chops, & fish. One thing I love about *Cracker Barrel* is that they are family friendly. They have rocking chairs outside with checker boards for families to just sit back & enjoy quality time.

I think all the students enjoyed the candy in the month of February. Especially the **Fun Dip** (thank you, Emily Johnson, for the suggestion.) For the month of March, any student in grades 4th-12th who purchases Scrip will get a homework pass. One pass per week can be given. So they can earn up to a total of 4 homework passes for the month. The younger students will get to go into the Scrip Treasure Chest.

As always, think Scrip,  
Mrs. Craven
